

EMPLOYER STATUS DETERMINATION
Narragansett Railway Company, Inc.

This is the determination of the Railroad Retirement Board concerning the status of the Narragansett Railway Company, Inc. as an employer under the Railroad Retirement Act (45 U.S.C. §231 et seq.)(RRA) and the Railroad Unemployment Insurance Act (45 U.S.C. §351 et seq.)(RUIA). The Narragansett Railway, Inc. was determined to be a covered employer with coverage effective October 4, 1988.

The Des Moines, Iowa district office has advised that the Narragansett Railway Company, Inc. was run by a Mr. Jack Haley, whose whereabouts are unknown. The Narragansett last reported compensation on Form BA-3 for the year 1989. A form CT-1 (Employer's Annual Railroad Retirement and Unemployment Repayment Tax Return) was filed for 1991 and marked "final". An investigation of the status of this railroad was commenced in 1992. In October 1992, a Circular Letter mailed by the RRB to the Narragansett was returned stamped "addressee unknown". There is no other evidence concerning the continued existence of the Narragansett Railway as an operating railroad.

Based on the information summarized above, it is determined that the Narragansett Railway Company, Inc. ceased to be an employer under the RRA and RUIA effective with the close of business December 31, 1991.
