1.4.1 Supplemental Annuity Procedure

Supplemental annuity procedure is in <u>FOM1 315</u>.

Appendices

Appendix A - Employer Pension Table

The Employer Pension Table is in <u>FOM1 Art.3 App. A</u>.

Appendix B – Employer Pension and Interest Factors

In the past, pension factors were programmed into the *G-88p and SUP Annuity Calculations Program* in Microsoft Access. The factors were used to compute the amount of an employer pension that is based whole or in part on employee contributions. However, due to the lack of its use and the resources required to annually update the program, <u>this program has been obsoleted</u>.

Appendix C - Explanation Of Closing Date For Employees Born Before September 2, 1916

See <u>FOM1 Art. 3 App. B</u>.

Appendix D - Supplemental Annuity Rates

See <u>FOM1 Art. 3 App. D</u>.

Appendix E – Supplemental Annuity Legislative History

See <u>FOM1 Art. 3 App. E</u>.

Appendix F - SAMIC And SAARA Programs

The SAMIC and SAARA programs are obsolete.

Appendix G – TACAL Historical Information
