No. 2 - 2019

July 2019

Total Employment by State, Type of Employer, and Last Railroad Employer Calendar Year 2017

The attached table shows total employment by State, type of employer and last railroad employer in the year. Total employment includes all employees covered by the Railroad Retirement and Railroad Unemployment Insurance Acts who worked at least one day during calendar year 2017. For employees shown under Unknown for State, either no address is on file (0.4 percent of all employees) or the employee has a foreign address such as Canada (0.2 percent).

Beginning with 2017 data, railroads have been classified by the employer's function rather than class since operating revenue data is not available. The new categories are:

- A. Class I line-haul railroads
- B. Non-Class I line-haul railroads and switching & terminal companies
- C. Commuter railroads (includes National Railroad Passenger Corp. [Amtrak])
- D. Car-loan railroads
- E. Labor organizations
- F. Miscellaneous employers (includes lessor companies, employer associations and miscellaneous carrier affiliates)
