

ABOUT PRE-RETIREMENT SEMINARS

Railroad employees and spouses planning on retiring within the next five years, and all rail union officials are welcome to this educational program. Attendees will learn about the retirement benefits available to them, and be guided through the application process. They'll also receive a seminar kit full of helpful materials, and an estimate of their future retirement annuity (if requested in advance).

Note: This event closes with a brief presentation on railroad unemployment and sickness benefits.

HOW TO RSVP

Due to limited space, registration is required. We encourage anyone interested in attending a seminar to RSVP online or by mail/fax as soon as possible. If you register and become unable to attend, please notify your local field office.

REGISTER ONLINE at RRB.gov/PRS

Select your local seminar in the schedule listed, fill in your information, and hit submit.

Or, RSVP on paper by mail/fax

Print and complete this form, then mail or fax it to your local RRB field office.

(Find contact information for any office through **Field Office Locator** at RRB.gov.)

WHAT TO BRING

If you have not yet submitted any of the documents required in order to file a railroad retirement application (such as proof of age, marriage, or military service), you can bring the original records or certified copies with you, along with an additional copy of each item to leave with our staff.

DID YOU KNOW?

Employees and spouses preparing for retirement may schedule an appointment for individual pre-retirement counseling, which is provided at any RRB field office or over the phone. Call us toll-free (1-877-772-5772) to request an appointment.
