a. Benefits are based on an employee who began work on January 1 of the year the employee attained age 22 and either retires or dies at age 65. An employee retiring at a later age or beginning work earlier could be entitled to higher benefits than those shown.

b. Employee is assumed to retire in the month before the first payment is received.

c. Including supplemental annuity.

d. Based on maximum creditable earnings, including year of death.

e. In computing the benefit to be paid in the year of retirement, social security does not include earnings in the year of retirement. Such earnings may later increase the benefit under the recomputation rules.

Note: Maximum taxable compensation during 2020 is \$137,700 for tier 1 and \$102,300 for tier 2. Maximum taxable compensation for social security during 2020 is \$137,700. Benefits are rounded to the lower dollar.
